

LIBERTY STONE & AGGREGATES – CLINTON QUARRY

SITE SPECIFIC SAFETY RULES AND REGULATIONS FOR TRUCKERS AND OUTSIDE VENDORS

CLINTON QUARRY IS AN FEDERAL MINE SAFETY AND HEALTH ADMINISTRATION
COMPLIANT MINE PROPERTY (MSHA)

1. No unauthorized passengers in trucks being loaded with material
2. Obey all posted traffic and speed limit signs
3. Always yield to heavy equipment such as loaders and haul trucks
4. Remain in truck at all times, unless permitted by mine personnel
5. If outside truck, hard hats and steel toed shoes required
6. Wear seat belts at all times on Mine Property when in truck
7. Manual tarping of loads permitted only in designated area
8. Do not enter Restricted Areas that are for Authorized Employees Only
9. Outside Vendors permitted only in designated areas where goods and services are required.
10. Outside vendors must wear required Personal Protective Equipment (PPE) while delivering goods and services to designated areas
11. TAILGATE MUST BE LOCKED, TURNBUCKLE CLOSED, BEFORE TRUCKS WILL BE LOADED

I acknowledge receipt of these Site Specific Rules for Clinton Quarry. I have been properly trained in these rules.

I understand I may be evicted from the mine property if I do not comply with these rules. I agree to follow them without exception.
